

# McCurdy Plantation Horse Registry

## Rules of Pedigree Registration

Revised December 1, 2021

1. A foal which has two fully registered McCurdy Parents (Foundation, Pedigree, or a combination of the two) will be eligible for Pedigree Registration upon completion of the following:
  - Completion of the Pedigree Registration application
  - Color Photographs showing front and both side views of the candidate for registration must be attached to the application
  
2. Offspring of an Appendix registered McCurdy (50%) X full registered McCurdy (100%) (Pedigree or Foundation) **will be eligible** for Pedigree Registration. Foal will be 75% McCurdy and considered fully Pedigree Registered upon completion of the following:
  - Completion of the Pedigree Registration application
  - Color Photographs showing front and both side views of the candidate for registration must be attached to the application
  
3. Offspring of Appendix registered McCurdy (50%) X Appendix registered McCurdy (50%) will not be eligible for pedigree registration. It may, however, be considered for Foundation Registration.
